Bacon butties from the BBQ, served in The Swan garden from 9am Sunday until around 10.30am. (The Tour passes the front of the pub soon after 11am.)

Please help us to avoid noise nuisance by considering our neighbours at all times and vacating the outside seated areas by 11pm. Thank you!

**VERY IMPORTANT NOTICE ABOUT GLASSES**

Due to very strict police licensing conditions for York pubs during the Grand Depart we are required to ensure that no glasses or bottles leave our pubs throughout the entire weekend.

**Please do not leave either of our pubs with any glass vessels this weekend!**

(Plastic glasses will be available for anyone wishing to take their drinks from the premises.)

Furthermore, on Sunday morning ALL drinks at The Swan will be served in plastic glasses until the Tour has passed by.
